

Certificate of constancy of performance

0402 - CPR - 111503

In compliance with *Regulation 305/2011/EU of the European Parliament and of the Council of 9 March 2011* (the Construction Products Regulation or CPR), this certificate applies to the construction product

Glued laminated timber

for use in buildings and bridges

Strength classes GL30h, GL28h, GL24h, GL30c, GL28c, GL24c, GL28hs, GL28cs

Reaction to fire class D-s2, d0

Formaldehyde class E1

Adhesive type I according to EN 301

Spruce (*Picea abies*) NNE Europe – Durability class 5 (Factory hall A and C)

Pine (*Pinus sylvestris*) NNE Europe - Durability class 5 (Factory hall C)

This certificate includes the manufacture of block glued glulam and glued laminated timber with large finger joints (Factory hall B)

produced by

Moelven Töreboda AB

Box 49

SE-545 21 Töreboda, Sweden

in the manufacturing plant

Moelven Töreboda AB, Factory hall A, B and C, 545 31 Töreboda, Sweden

This certificate attests that all provisions concerning the assessment and verification of constancy of performance described in annex ZA of the standard

EN 14080:2013

under system 1 for the performances set out in this certificate are applied and that

the construction product fulfils all the prescribed requirements for these performances.

This certificate was first issued on 2008-10-22 and will remain valid as long as the test methods and/or factory production control requirements included in the harmonised standard, used to assess the performance of the declared essential characteristics, do not change, and the construction product, and the manufacturing conditions in the plant are not modified significantly, unless suspended or withdrawn by the product certification body.
